# **School Mission Statement**

School recognizes that every child is equal and important. All children are creative with potential quality. All children need to succeed .Therefore, school respect the needs of children, caring and provide creative and positive environment for achieving entire success. School emphasizes the social, physical, emotional and intellectual development of each child in every field so that they can be ideal and civilized citizen of India.

Our vision is to provide value based education with new innovations and ideas so that pupils grow into aesthetically rich, intellectually aware and integrated young people, capable of fulfilling their dreams and aspirations.

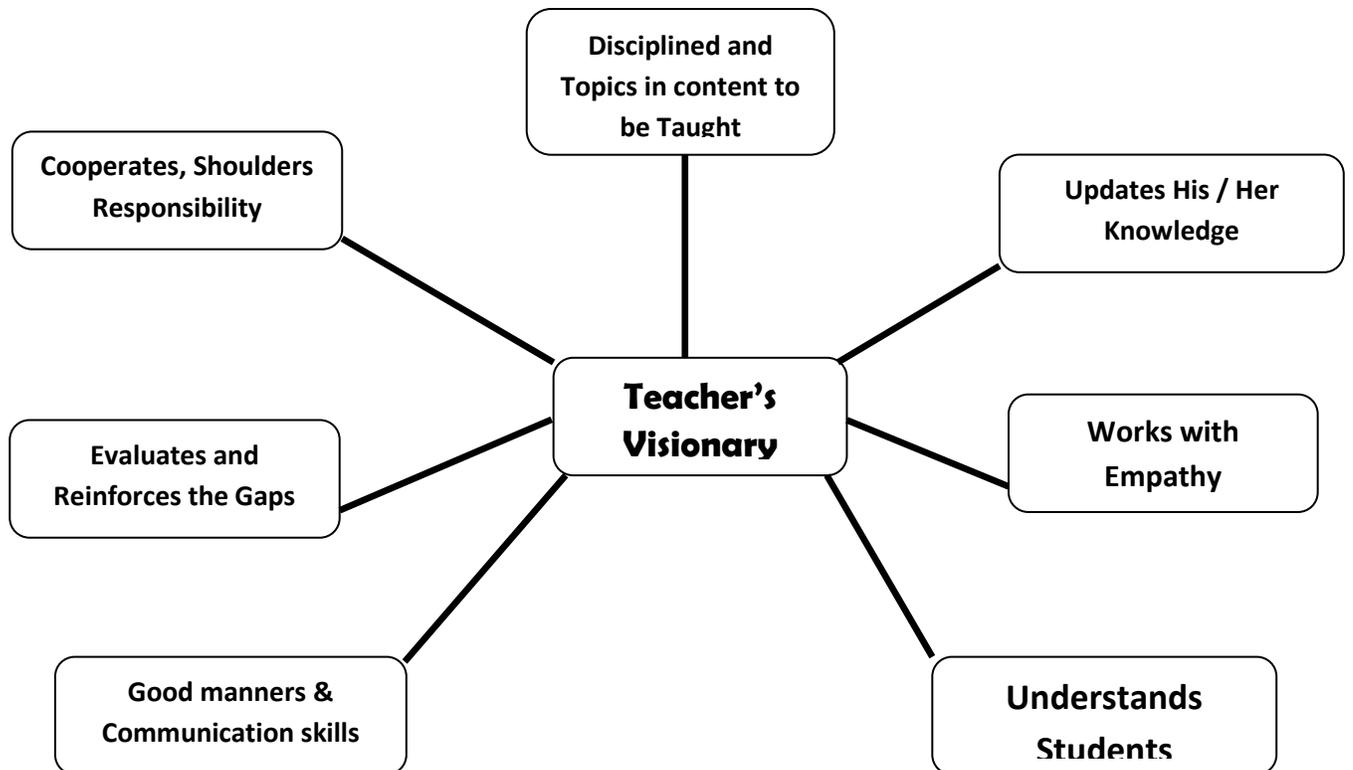

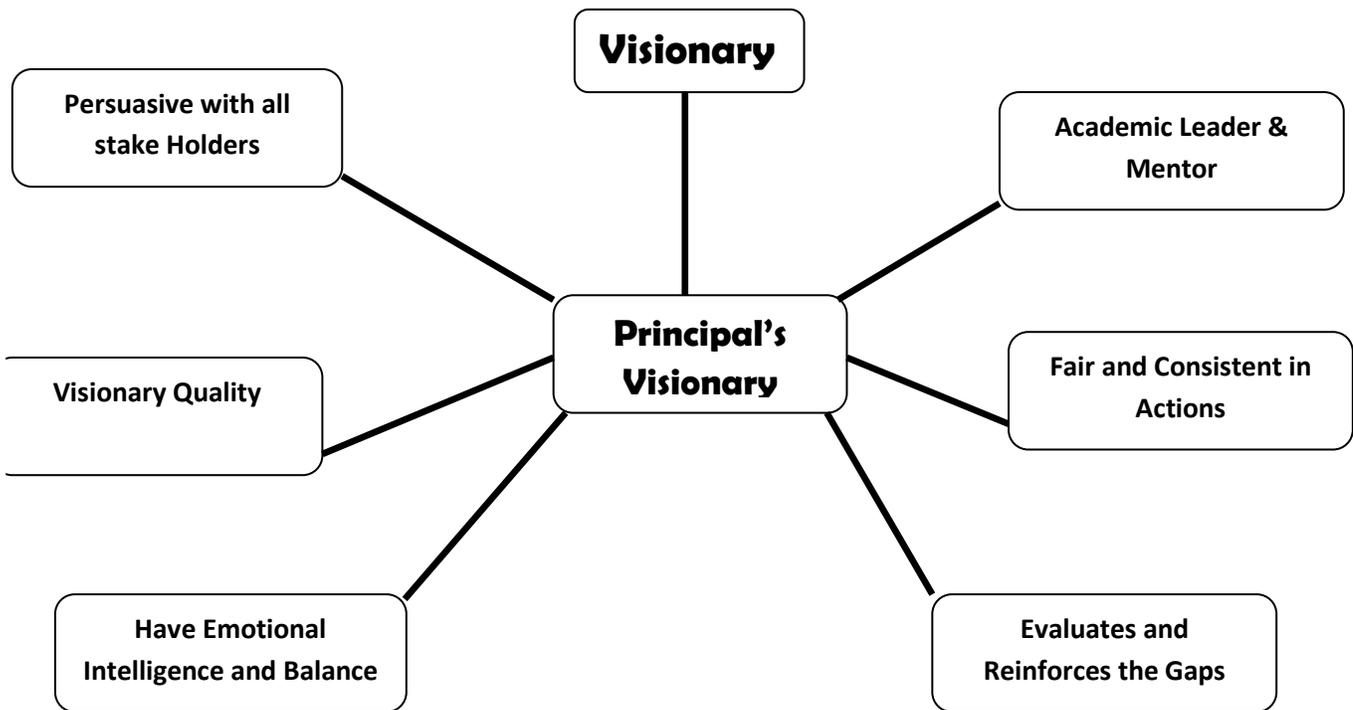

We try to create a world through our children who are full of promises and hopes. Our constant earnest attempt for excellence in all respective of a child's development for achieving entire Success.

**Dr. Kamala Pati Thakur**
